MEMORANDUM

TO: Mr. Michael D. Wilson, Chairperson
Board of Land and Natural Resources

FROM: Ralston Nagata, Chairperson's Designee
Task Force on Beach and Water Safety

SUBJECT: Sign Placement Documentation

The Task Force has reviewed documentation prepared for your approval action. The Task Force "Guidelines for Signage Placement" provided general guidance for locations selected. The attached documentation on the City and County of Honolulu's parks include recommended revisions as described in the Task Force's May 29 and July 17, 1997 minutes.

All submitted documentation sheets will be date stamped, as your sign placement approval, together with your previous sign design approval, are necessary steps in administering Act 190. Once approved, such date stamped copies of the documentation will be disseminated to the Task Force Members.

Thereafter, the signs will be installed at the approved placement locations.

RALSTON NAGATA

I hereby approve all sign placements for City and County of Honolulu's parks submitted via this memorandum:

MICHAEL D. WILSON, Chairperson
